JOB POSTING

SAFE-T SENIOR CLINICIAN/SOCIAL WORKER

2 Regular Full-Time Positions

Annual Salary Range: \$74,400.00 - \$82,144.70

LOCATION: George Hull Centre for Children and Families
Etobicoke, Ontario

The George Hull Centre is pleased to be launching the Sexual Abuse Family Education Treatment Program (SAFE-T) and is currently looking for highly skilled, experienced clinicians to join our team.

The SAFE-T Program is a specialized community-based clinic that provides evidence-based assessment and treatment services for: children and youth who have experienced intrafamilial sexual abuse; children with concerning sexual behaviours and youth who have engaged in sexually harming behaviours within their families and/or the community. The SAFE-T Program also provides consultation & training and conducts research.

Working within a multi-disciplinary team our senior clinicians will provide comprehensive clinical assessments and treatment through individual, family and group therapy for children, youth and families who have been impacted by sexual abuse. They will provide clinical case co-ordination and work collaboratively with other agencies.

The Senior Clinician will take on special projects in collaboration with the Clinical Team Managers and Directors to support the continued development, clinical leadership and evaluation of the SAFE-T Program, as well as provide specialized training and consultation within the SAFE-T Program, George Hull Centre and community.

The George Hull Centre's SAFE-T Program is committed to clinical excellence and working collaboratively with families. Staff will benefit from a strong multidisciplinary team, regular supervision, and a cohesive and supportive environment, which encourages creativity, ongoing learning, innovation, and best practices to enhance our abilities to assist our clients. The George Hull Centre actively promotes and develops clinical learning opportunities for staff.

The successful candidates will have extensive experience working with children and youth of a variety of ages and their families, using a variety of evidence based sexual abuse-specific therapeutic modalities.
